

REMARKS

The application stands in allowed condition, as is announced in the Examiner's action and first action notice of allowance dated 21 June 2005.

In response, applicants herein request amendment of the specification to include formal related patent application information not available at the time of application filing.

Continued allowance and passage of the application to issuance are respectfully solicited.

Respectfully submitted,

Gerald B. Hollins, Reg. No. 25,452
